 The Embracer of Change	Viji V	23-12-2021	<p>You have been a great addition to our team... As part of NE3-PS automation we have received a great support from each one of you. There are lot of good inputs and feedbacks from each of you to start our NE3-PS Automation. Of course we are in beginning of our long journey, Next year We as team will shape our NE3-PS automation to different dimension. Thanks for the great support and let's collaborate more together on next year. Please go through our Wikki for all the latest update https://connect.bosch.com/wikis/home?lang=en-us#!/wiki/W667ee3851cf5_4f1c_b041_b512e5c34d89/page/NE3-%20Automation</p>	EMBRACED CHANGE
 The techie	Rohan Shelar	09-07-2021	<p>The techie of ECC has delivered us great impact on solving a critical issue near series delivery of the software. You automation skills really helped in setting up a test-bench and ignited a long root cause analysis of the problem which eventually helped us arriving at the workaround solution. With your skills-set, you are the great asset of our team....</p>	GAINED EFFICIENCY
 The problem solver	Vignesh B	13-05-2021	<p>You have provided excellent and extended support to resolve the issues related to 'Continuous Testing: Elementary Tests'. Your efforts have bought us good results and is very much appreciated, thank you!</p>	IMPROVED PRODUCTIVITY
 Thumbs Up	Latha Chembrakalam	15-03-2021	<p>Thank you for being an active part of the automation team and contribution for the virtual market place event</p>	WORKED COLLABORATIVELY
